

Hutch School starts on Tuesday, September 7th!

Register Your Student For The 2010-2011 School Year!
Registration Sessions
Thursday, September 2nd 1pm-4pm
Friday, September 3rd 9am to 12 noon

This represents a chance for families to register their K-12 students at Hutch School, and meet teachers in an informal environment. If patient scheduling does not allow your family to register during this time, please contact Hutch School's Program Coordinator, Micheline Palmer, at 206-667-1400 to arrange for a time to meet with a Hutch School teacher.

Hutch School offers two programs to serve families receiving treatment at the Seattle Cancer Care Alliance:

Family Member Program

Mondays - Fridays from 8:45-2:00pm

This program is intended to serve family members of SCCA patients between the grades of K-12. Students attend multi-age classrooms, and participate in a variety of grade-appropriate individual and group activities

Patient Program

Individual sessions arranged with teachers

Hutch School serves pediatric SCCA outpatients in a one-on-one setting. Teachers typically schedule appointments with patients during afternoons at Hutch School.

If you have any questions about Hutch School or this registration session, please contact the school's Program Coordinator at 206-667-1400.

Sincerely,
Hutch School Staff

School location: 527 Minor Ave N., Seattle,
Washington 98109 (Adjacent to the Pete Gross House)
